Ezard House,  
Cape Town

# Two's Company

"John and I both wanted to break away from the traditional Irish wedding and agreed that we wanted ours to be about the commitment that we were making to each other. We wanted it to be romantic, intimate and personal and therefore decided on the smallest wedding possible in Cape Town with an official ceremony, photos on Llandudno Beach and a blessing and champagne at Ezard House - it was hard to imagine a more perfect way to begin our married life."
